DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

**Commissioner for Patents**

The timely submission under 37 CFR 1.129(a) filed on 31 October 2006 is not fully responsive to the prior Office action because it fails to address add added and changed claims. In particular, the remarks claim that only 21 and 22 were added, and ignore amendments to claims 23-28. They also fail to show support for any of the amended claims, or to explain how they overcome the cited art. They also fail to show support for claim 10, which lacks any mention of hidden pages. Finally, they fail to further define and clarify the term "pages" and related terms (main page, electronic page, hidden page) as requested by the examiner in the last interview.

Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a). If a notice of appeal and the fee set forth in 37 CFR 1.17(e) were filed prior to or with the payment of the fee set forth in 37 CFR 1.17(r), the payment of the fee set forth in 37 CFR 1.17(r) by applicant is construed as a request to dismiss the appeal and to continue prosecution under 37 CFR 1.129(a). The appeal stands dismissed.
